PROFILE SUMMARY

Highly imaginative and versatile Junior Industrial Designer with experience in numerous fields including product design, project management, marketing, prototyping, manufacturing, and interdisciplinary communication and collaboration. Oversaw and operated numerous high-level manufacturing facilities and studio spaces across New York City. Has a track record for improving, updating, and assisting the management of operations while producing innovative, whimsical, and inspired designs.

EXPERIENCE

July 2023 - March 2024

PRODUCTION & 3D PRINT ENGINEER

Dopl

Handcrafted luxury, one-of-a-kind personal sculptures with meticulous attention to detail, created and implemented numerous upgrades to the production facility, and maintained a small team of production engineers.

- Delivered massive order output that saw Dopl have its most profitable quarter in its lifetime

August 2022 - May 2023

LASER LAB ASSISTANT

Pratt Studios Laser Fabrication Laboratory

Monitored, maintained, and serviced several high-powered laser fabrication machines, closely assisted students and faculty to design, setup, and cut projects, and assisted in monitor training.

- Maintained and performed upkeep of highly fragile CO2 laser fabricators during peak usage season for thousands of students

Dec. 2021 - May 2022

COPY AND PRINT ASSISTANT

Pratt Institute ISC Copy Lab

Worked closely with students and faculty in small and large-format printing, edited and prepared files for optimal high-end gallery-level print quality, scanned and archived highly confidential vintage institute documents and performed front desk sales.

- Commended for efficiency and consistency performing highly specialized scanning for historic Pratt documentation dating back to the founding of the institute

2018 - present

FOUNDER AND LEAD CREATIVE

Joshua Alexander Studio (J.A. Studio)

Worked alongside dozens of musicians and artists to create cover art for albums, EPs, tracks and other releases along with supplying eye-catching and enticing advertising for upcoming releases. Managed freelance artists including music/audio producers, motion FX, social media marketers and illustrators.

- Produced numerous designs for successful New York artist Ashley Suppa

Jan. 2016 - Aug. 2018

DESIGN AND DEVELOPMENT ASSISTANT

SalzMedia Web Design

Entered coding statistics for interactive financial charts, organized and optimized spreadsheets for worldwide corporations (EXSIF Worldwide Inc.) and United States government associations (NAADGS).
